PHYSICS  
ACADEMY

Join the UK's largest physics-specific recruitment fair.

The fair offers employers an effective way to gain visibility and awareness with a regional talent pool of physics students. It provides the opportunity to promote your insight days, internships, year in industry placements and graduate jobs.

The fair is open to undergraduate and postgraduate physics students from 19 regional universities from across the Midlands, the North and The Open University. The 2020 virtual fair attracted over 400 students.

Check out previous fairs [here](#) on the WRIPA YouTube channel.

## How to get involved:

Book your place [here](#).

The fair is **FREE** and attendance is flexible, you can join for the whole event or just a small part of it.

Employers can connect with students through 1:1 appointments, sector-specific panel discussions and employer-led talks and presentations.
